TWO ADVANCE CARE PLANNING SESSIONS:

THURSDAY, APRIL 30

3:00 PM at the Fay Garman Senior Center, and

A knowledgeable presenter from MaineHealth will help people understand why it's important to plan for medical emergencies. Informational materials will be available, and you will be given an opportunity to access free, individualized help with the process if you wish.

You may wonder, **why two sessions?** We are hoping that you younger folks who have kids and are working, and at the same time have aging parents and relatives, will take this opportunity to find out what you can do to prepare for the time that difficult medical decisions have to be made. It's time to start this conversation with your family and with your healthcare provider:

Please mark your calendars, and watch for posters with more information.

Peaks Island Taxi News

Spring is finally here and Summer is just around the corner! The Island Transportation System would like to thank Peaks Islanders for their continued support of the Taxi through these cold winter months.

The Taxi operates 7 days and evenings a week from 7:45 a.m. to 8:45 p.m. If you need a ride outside these hours, please call (207) 518-0000 during our normal operating hours to make a reservation. Remember, it helps the Taxi drivers if you call in plenty of time for a pickup to the boat. We try to meet every boat when it arrives from Portland during our normal operating hours.

Here is a listing of our rates and services. These have been in place since the end of 2013. Also, this information, along with a printed Zone Map, is available in the Taxi.

We have divided the Island into two separate zones. The fare for **Zone One** is \$3.00 for the first passenger; \$1.00 for each additional passenger going to the same address; and \$1.00 each for a dog, filled grocery cart, large piece of luggage, etc. The fee for deliveries of grocery boxes from town, pizza or groceries from Hannigan's, take-out orders from restaurants, etc. are \$3.00 each. The fare for **Zone Two** is \$5.00 for the first passenger and \$1.00 for each additional person, dog, or item going to the same address. The fee for deliveries of grocery boxes from town, pizza or groceries from Hannigan's, take-out orders from restaurants, etc. to Zone Two is \$5.00 each. We also offer tours around the Island for \$10 per person.

Zone One covers all the "down front" areas and are 0.7 miles to or from the ferry landing to-

- NORTH from ferry landing to the end of Centennial (boat ramp) up City Point Road across Island Ave. and up to where it ends at 95 Pleasant Ave.
- Then along Elizabeth, Luther, Sterling, Ledgewood, Upper A, Willow and Epps Streets
- Up Central Ave to 55 Central Ave. Extension
- Up Brackett Ave. to the Four Corners at the Transfer Station
- SOUTH from ferry landing to New Island Ave, Whitehead St. and Seashore Ave. to 196 Seashore
- Also, Great Pond Road to Winding Way, up to Spruce St and back to New Island Ave.

Zone Two is "back shore" and the rest of the Island outside of Zone One.

The new Taxi uses less gas and, hopefully, has had an impact on reducing the carbon emissions and congestion down front on the Island. Please contact us at 518-0000 if we can assist you in any of your transportation needs. Remember the taxi will take you to the health center, the library, the store, the post office, or other places on the Island.

DEADLINE FOR NEXT MONTH'S STAR: Saturday, April 25, by 6 pm. If you bring it when the library is closed, you may put it in the Book Return or slip it under the library door.

PICW will be closed Monday, April 20th in observance of Patriot's Day

The children of the Peaks Island Children's Workshop have been learning about birds. We have a giant child-sized nest in our room that we use for dramatic play and have been reading many bird books as well as playing bird games. We are hoping that Mother Nature will help us by warming up a little bit so we can go and do some bird watching.

As the snow disappears, our brand new tricycle track will reappear! We thank the Peaks Island Fund and Welch Charitable Fund for the grants to build our track and help our youngest community members in learning gross motor skills. To all islanders, please feel free to come use our trike track when PICW is out of session – weekdays after 5pm and weekends!

Peaks Island Elementary School

March Madness indeed! 12 degrees? Really....even for our hearty kids it can be just a bit too much. However, the sun is shining and during recess you can see our kids running around wearing boots and snow pants and t-shirts!

This week we welcomed student volunteers from Baxter Academy. The k-1 and 2/3 shared Wednesday morning working side by side with our new High School friends. Brian Olsen, a teacher at Baxter and a Peaks Island Resident shares:"

"Baxter Academy is excited to partner with Peaks Island Elementary School on this cross-Casco Bay connection, establishing a communal culture of innovation and critical thinking together. Our 9th grade Advisory group has engaged in many team projects, and phenomenal personal learning plans, but no targeted task has seemed so mysterious and magical as this island alignment. Keep in mind our learners are coming from 54 different towns, so the islands and island students are literally a world away for their lens of learning. Regardless of distance, I know our STEM focus and truly wonderful kids will make for a great morning of knowledge sharing, and intentional outreach - aka service with a Baxter Academy."

April 10th will be our next Community Lunch! Please come and join our students and share some food and conversation. Look for the Landmark Bike Tour on May 1st!

PEAKS ISLAND TAX AND EXERGY ASSISTANCE

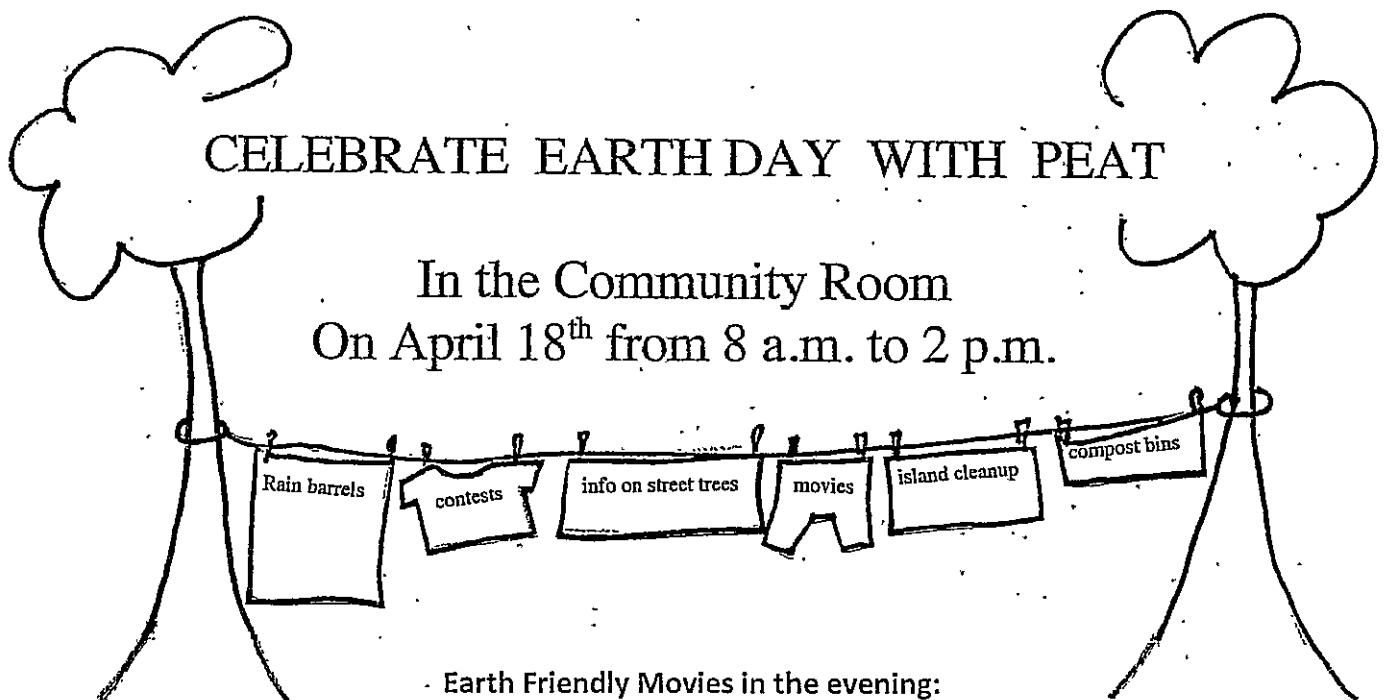

In May of 2005, the Peaks Island Committee for Fundraising for Property Tax Relief began a journey which continues today. None of us really thought the committee would be in existence in 2015 and still going strong. This spring we met the needs of the four families who applied for energy assistance! The assistance that we provide has made it possible for some of our friends and neighbors to remain in their homes even though taxes have increased and the price of energy continues to rise. Our tax assistance account named for our dear friend and neighbor, Sam McCain, provided almost \$3300 in property tax assistance for the tax season. Our energy assistance fund has assisted many more families and we will report on that next month when the season slows down. We have met the needs of every family that applied and we are most hopeful that people stayed warm over this very, very cold winter. As spring arrives we bid our long, cold, and expensive winter adieu.

Last month we put out a call for donations and a day later we received a donation of \$500. That was the very best present anyone could receive! Our March Dinner earned us \$4394 and we are able to help three families so you can see that donations are still needed. Our April Loaf and Ladle Dinner will be on Sunday, April 22nd from 5-7 p.m. at the Peaks Island Baptist Church Hall. The cost is \$7.50 for adults and \$2.50 for children. We are still working on the menu but chicken will be on the menu. The food will be delicious and plentiful. Our members provide all of the food and they are terrific cooks. All of the proceeds are deposited in our energy and tax accounts. We could not do our work without those who donate the food every month.

On behalf of PITEA members past and present we invite you to join our committee and we thank you for all your help!
